Many thanks for sending the permissions request below. The Royal Society of Chemistry hereby grants permission for the use of the material specified below in your thesis.

Please note that if the material specified below or any part of it appears with credit or acknowledgement to a third party then you must also secure permission from that third party before reproducing that material.

Please ensure that the published article carries a credit to The Royal Society of Chemistry in the following format:

[Original citation] – Reproduced by permission of The Royal Society of Chemistry

and that any electronic version of the work includes a hyperlink to the article on the Royal Society of Chemistry website.

Best wishes,

Chloe Szebrat

Brazil

Tel : 55 19 3521-3131
Fax :
Email : karl970@gmail.com

I am preparing the following work for publication:

Article/Chapter Title :
Journal/Book Title : Estudo estrutural, termodinâmico e cinético sobre a formação e interações de micelas gigantes em sistemas aquosos binários
Editor/Author(s) : Karl Jan Clinckspoor
Publisher :

I would very much appreciate your permission to use the following material:

Journal/Book Title : Rheology for Chemists: An Introduction: Edition 2
Editor/Author(s) : J Goodwin, R Hughes
Volume Number :
Year of Publication : 2008
Description of Material : Figure 2.1
Page(s) : 15

Any Additional Comments :

Use in a thesis. English was translated to portuguese.
